Property Description

Enjoy the views of the tranquil deep water Bay of Dominicalito from the 7.7 acre exclusive estate sized parcel located in the foothills just south of the quaint surfing village of Dominical. Parcel comes with a large improved building site and a long ridge that runs toward the sea, perfect set up for main house and guesthouse both would offer the stunning sea view, as well as the picturesque mountain view to the backside. Location is easy access, and comes with water and electricity ready. The "Costa Ballena" is Costa Rica's newly discovered gem, thanks to the government's recent completion of the coast highway, and is very pristine and heavily forested with an overabundance of wildlife!
