Property Description

Amazing ocean view parcel that is just over an acre in size, and ready to build on. The parcel has an improved building site, trails and steps leading to different sections of the land. Huge expansive views of the verdant valley below and out to the Pacific Ocean. You can enjoy the constant breezes from this site that is at an approximate elevation of 900 feet above sea level. Parcel is located within 15 minutes to the beaches near Dominical and near the mountain community of Lagunas, with close proximity to the Haciendas Baru Wildlife Refuge, and several other natural attractions. Not many ready to build ocean view sites at this price point with the characteristics that this one offers! Contact us for a viewing appointment!
