Amazing setting from the simple rustic cabin in (construction) situated on over 4 acres of land near Dominical Beach. Ideal for small scale food production, and room for additional structures if you wanted to do a small boutique eco resort with cabins. Extensive river front with multiple cascades and pools! This is truly a gem! Location is within 15 minutes to the beach, 5 minutes to small mountain village of Platanillo. The views overlooking the Baru River Valley below is very dramatic, and the soothing constant sounds of the river flowing below are so therapeutic. Be the lucky buyer!
