Property Description

This 25 acre farm for sale in Pejibaye, Perez Zeledon is truly special. Boasting one of the most spectacular waterfalls in the Southern Zone of Costa Rica, this property is the perfect location for an eco-tourism project. The property waterfall is a stunning 30 feet x 50 feet with an enormous pool to swim and a cave large enough for overnight camping. The property has excellent access all the way to the falls and provide multiple areas to develop infrastructure. The property has its own natural spring and electricity is available for installation on the property. There are no other properties in the Southern Zone of Costa Rica with the characteristics of this spectacular gem. It is also very rare to have a waterfall of this size with perfect conditions for recreation accessible by vehicle.
