Property Description

FINCA ESCALERA DE MONO is a 2,47 acre parcel located, on the Uvita ridge, overlooking the Whales Tail and Ballena beaches in Uvita de Osa Puntarenas Costa Rica. Costa Rica's essence is fully represented on this unique parcel, wow whales tail ocean white water views, cool jungle feeling, and the smooth sound of the creek running through the middle of the site, make this property, a perfect and unique location for that buyer who is looking for his dreamed building site, with the possibility of developing a commercial tourism project. Potentially 10 small building sites, neatly naturally subdivided by secondary and primary patches of forest. Congo monkeys, pizotes and hundreds of parrots make of this property their home and its surroundings, creating a truly magical atmosphere that is best appreciated at early break of day. The altitude of its location creates a cool morning and afternoon comfort rain forest feel.
