Property Description

Over 100 acres of land in Lagunas, Dominical, Costa Rica including two homes, 30 acres of usable land, stable, pasture, and 75 acres of rain forest nature reserve. Absolutely stunning white-water ocean and coastline views towards Manuel Antonio from both homes and much of the potential developable land. A true private Costa Rica retreat where wildlife is in abundance and the end of the road location surrounded by reserve ensures peaceful tranquility forever. This luxury main house offers top of the line finishes, a large infinity pool and deck, and spectacular ocean views! The open living room and kitchen overlooking the infinity pool and Pacific Ocean that opens onto the spacious pool deck for outdoor entertaining. The spacious master bedroom has its own private ocean view balcony and full en suite bathroom with Jacuzzi tub. Downstairs there is a studio apartment with kitchenette and its own ocean view porch.
