Property Description

Prime Southern Zone Costa Rica property with year around sunsets. Experience the charm of one of the most elite and safe neighborhoods in Dominical. Be front row to year around sunsets across the Pacific Ocean while gazing at wild life all around you. Within five mins to the child safe beach of Dominicalito, waterfalls, hiking trails, and some of the most amazing primary forest in Costa Rica. With only 28 residences in the Marina Vista One community, a fortunate few will ever have the opportunity to reside within this exclusive locale. The Marina Vista One community provides residents with everything one thinks of when dreaming of living in Costa Rica. One road in and out allows for enhanced security and in the tradition of, SAVING THE BEST FOR LAST, this amazing parcel is perfectly positioned on the upper level of the community and or end of the road with the best views and breezes. It provides the utmost privacy, while also maximizing the awe-inspiring panoramic ocean views beyond.
