Property Description

A short drive down a country road in one of the greatest microclimates around this property is perfect for anyone that wants to build a community, retreat center, or develop and sell individual lots. It has it ALL, with 7 segregated jungle lots, internal roads, cut building sites, cement culverts and drainages, this property is a must see! With a year-round creek flowing through the property, tract of primary jungle, with mountain views of Diamante where you will find the largest waterfall in Costa Rica. Electricity and municipal water are to the property. Ideally located in a cool climate only 12 minutes to the beaches of Dominical and 25 minutes to the city of San Isidro. You could create your own organic gardens, build your private estate while enjoying the privacy of the jungle setting. This property is a must see and won't last long at this price. Please contact your listing agent to answer any questions or set up a showing of this property today.
