Property Description

These two new homes are on a dead-end road 2 to 3 - minute walk to the majestic beaches of Playa Pelada. This modern vacation rental complex consists of TWO separate two bedroom two bathroom homes with separate private pools. Imagine yourself siting back on your covered porch or on your float in the pool enjoying the peaceful sounds of the jungle as the monkeys cut through the property on the trees above.The complex was designed for maximum flexibility for vacation or long-term rental. The property can be easily divided for two completely separate homes or left open to accommodate larger groups. Both homes are almost identical in layout and positioned for the most privacy. The property could be completely split in to two separate spaces with the addition of fencing and/or landscaping that could add substantially to the privacy of each unit.Each home contains nicely appointed kitchen with stainless steel appliances and lots of storage in custom made wooden cabinetry.
