• Property Type: Single Family Homes • Bedrooms: 6 • Built: 2005 • Size: 2529 sq m • 0.62 Acres • Floor Area (SQFT): 3,606

- Status: Sold
- Parking Spaces

Property Description

Lots of space and ideal location for somebody with the right vision! The ocean view and walk to everything combo is very hard one to find in the Guiones market. Tucked away between the trees on a 2500m2+ property you will find this opportunity for you with lots of possibilities. The ocean and sunset view top-level and multiple fully-equipped apartments make this a very versatile option for the distinguished buyer. Contact us for more information!
