Property Description

This property consists of an amazing finger peninsula that reaches out in the middle of the Morete River valley, enabling nearly 360 degree views of the valley, ocean, mountains, and San Luis Waterfall. There is a very large flat tract of land that makes this an ideal spot to build your dream compound. The property boasts private waterfall access, stunning mountain views, waterfall views and ocean views. The ocean view has partial view of the Whale's Tail. Water and power is on site. Access to the beach is 20 minutes and to San Isidro is 30 minutes. Perfect for a large estate, villas, or retreat center. An ATV/ horse trail leads down the mountainside into your own private waterfall wonderland with deep pools and lots of places to swim and jump into the crystal clear water.
