Property Description

Over 15 acres located in the sought after mountain range of Escaleras located along the south pacific of Costa Rica. The access is up the Pacific Edge road, which offers stunning views as you climb the mountain overlooking the lush virgin rainforest valleys, and the majestic coastal mountain ranges as the road leads you through sections of old growth forest to reach this end of the road property. The parcel has gently sloping topography with internal road access and drainage system in place which leads to 8 different buildable sites with many offering stunning ocean and mountain views. You hear the sounds of rushing water from a bordering stream. Within 5 minutes to the beaches of Dominical and Dominicalito which offer world class surfing, sport fishing, waterfalls and adventure! Elevation is up over 800 feet above sea level, and always a cool comfortable breeze and offers perfect year round comfortable living conditions.
