Property Description

This ready to build 7-acre parcel with 150-degree ocean view boasts a flat graded building site of approximately 12,500 sq. ft. surrounded by pristine rain forest, green zones and creek. The beautiful long private driveway lined with hibiscus leads to the building site. At 800 feet elevation above the ocean you can experience cool ocean breezes and incredible sunsets each evening with views of Caño Island and Drake's Bay. The lot is 1 mile off the main highway, the "Costanera", or Coast Highway, and only about 20 minutes from the popular beach towns of Dominical and Manuel Antonio. Easy access to beautiful sandy beaches with low traffic, such as Playa Matapalo, Playa Linda, and Playa Guapil. The road leading up to the property is well maintained, with concrete paved sections leading all way to the lot. The property has ready access to water and electricity. It is cleared and ready to build.
