Property Description

These two homes sit on a 3,121 square meter lot with million dollar views of Samara Bay. Each spacious house has an airy kitchen, a large patio, and terraces with a garden area between the houses to maximize privacy. One house has three bedrooms and three bathrooms, while the other house has two bedrooms and two bathrooms. This property has a stable rental history so you can live in one house and rent the other or rent both as you capitalize on your Costa Rican investment. And while they could benefit from a little TLC, two ocean view homes at this price is a steal!
