Property Description

Surrounded by nature and located just a 10 min drive from Montezuma & Cobano downtown, this is the perfect location for those looking to build their Costa Rican dream home close to schools, shops, surf, beaches and more, while maintaining privacy and all modern day amenities. These lots measure over 1000 square meters with the ability to develop 75% footprint of the property for either residential or commercial building, perfect for a private residence or vacation rentals.. Currently there is access to Asada water and Electricity right in front of the lots. This is one of the best properties in the area with beautiful views, buildable sites and lush jungle surroundings only minutes away to one of the nicest beaches in the Nicoya Peninsula!
