Property Description

Located above the iconic tropical destination of Dominical, Costa Rica, this 3.47-acre parcel will finally have you feeling at peace as you admire one of the most flawless, nature-filled vistas in the world. Coastal cliffs with crashing azure waves, dense jungles filled with wildlife, big blue skies, and towering green mountains provide the alluring setting for this remarkable Escaleras property. Turn this divine property into your own private wonderland, with nature trails winding across the flat and wide ridgetop, which can also be subdivided into at least fifteen sites for luxury homes. You will be thrilled with the paradise-packed potential of this prime Escaleras land. This is the ideal land for a wealthy investor looking for a secluded tropical escape on a distinctive property that is relatively remote but still located within an upscale community filled with high-end restaurants, stores, and services nearby.
