Property Description

House with two levels, in the first we find an indoor garage with an electric gate for two vehicles. A spacious dining room very ventilated and naturally lit because it has a large window that overlooks the backyard. Half bathroom for visitors. It has a kitchen with a window to the patio. The patio is roofed with polycarbonate sheets and there is a bathroom with the measures according to Law 7600. There is also a cellar. On the second level is the master bedroom with its own bathroom and walk-in closet. There are three remaining bedrooms that share a bathroom.
