Property Description

This is a flat buildable lot with city water and electricity. There are mature Ficus Trees all around the property. The property was excavated and engineered so not to have any flooding issues. The property comes with a \$6,000 floor plan that was designed to fit the lot. The property is in a gated community and is only 10 minutes from downtown San Ramon. Very competitive owner financing is available with 50% down payment to creditworthy buyer.
