Property Description

Situated at the end of the road in the Exclusive Big Sur community and just above the stunning beaches of Playa Hermosa and a few secret spots. This 1.74 acre of prime ocean view land is waiting for the right buyer to build a private estate. The configuration of this land on the mountain exposes all of it to the gentle breezes and the expansive views of the southern coast line including the famous Uvita Whales Tail. There is a large buildable area and bordering both sides of the property are two of the Southern Zones most highest priced luxury estates. Location is everything on this parcel and having good neighbors is key to adding value for a new owner. The property is located just minutes from the ocean, waterfalls, downtown Playa Uvita, Playa Dominical, and its unobstructed views of the southern Ballena coastline boast year around amazing water and reefs views that make this one of the best 180 degree views in the souther zone.
