Property Description

This is a property that feels like a home and brings together a stylish internal layout with expansive exterior spaces from which to enjoy the nature that is such a big part of this property. Located in Finca Se Ve Bien, an exclusive community that offers a 24 hour gated entry, but that also features large private lots where owners value that unique balance of community and privacy. This property is the last lot in the development and has its own gated driveway and fenced property creating a unique oasis within an oasis. Upon entering the gates and rising up the private driveway, you are welcomed by a covered carport conveniently located and protected from the elements by the front door and main entrance. The floor plan is welcoming and is one of the only homes in the area where you have a master suite, open floor plan kitchen, living, and dining area, guest bedroom, and office all on the same level.
