Property Description

Welcome to one of the most quant, efficiently designed and conveniently located homes in Playa Guiones. Picture yourself waking up early to the howler monkeys, sitting on the porch with a cup of coffee and getting ready to walk for a surf 15 minutes away. Afterwards, you have the best choice of restaurants 5 to 10 minute walk away and if you want to get that perfect gift for your friends or family shopping is close by as well. No need to rent a car for your stay here in your new bungalow because you are close to everything. The structure is a mixture of old school Nosara charm and some modern conveniences. Plenty of room for a small family or a group of friends to vacation rent and it has great reviews on AirBNB because the owner has done an excellent job managing the rentals with a personal touch. You will need to hurry, with very little inventory in the market below $500K this property will sell fast.
