Property Description

This beautiful ready-to-develop lot is located in Atenas and is being sold for \$65,000. If a convenient location is a must, this lot is definitely within your expectations! The property is located within a 3-minute drive from the center of Atenas. Thus, shops, restaurants, schools, and other amenities are just a few minutes away. Public services including water and electricity are already available in the property, and thus this beautiful lot is ready to be developed. This lovely property measures 979m², which is the perfect size to build your custom dream house! You will also have plenty of remaining space for an adorable garden. Additionally, you could build your own orchard garden considering the suitable climatic factors in Atenas. You can also see this as an investment opportunity! Perhaps this is the perfect lot to build your own personalized apartments for rent. Either way, this property offers a great opportunity!
