Property Description

Built on one of the best ocean view homesites in all of Tamarindo, Villa Paraiso was created to entertain. In fact, it was originally built as a boutique hotel featuring sprawling grounds and private outdoor spaces for its guest. From the main living area, you will find inspiring vaulted ceilings, multiple areas to lounge and relax with friends, and accordion-style doors that open seamlessly to 180-degree views of the Pacific coastline. 7 of the 8 bedrooms have their own en-suite bath, their individual private outdoor areas, and sweeping views of the ocean.
