Property Description

LAND IN SAN JOSE CENTER 300 METERS FROM THE CENTRAL PARKThe property is located within the capital quadrant, just 300 m south of the Central Park, in a densely populated central sector, where you can see commercial buildings (some recently built and others that occupy old buildings, which have been applied improvements and remodeling) alternating with some houses, mostly old. The area is affected by high vehicular and pedestrian traffic, very beneficial for the commercial activity that predominates there. Nearby you can see businesses of a diverse nature, such as restaurants and bars, shops, motorcycle and bicycle sales, hotels and parking lots, among others. You have at your immediate reach the main community services, both basic and specialized. In the same way, the property is completely flat and is on a paved street, with a cordon, pipe and concrete sidewalk and has telephone network services, public lighting, bus service, garbage collection, electricity and plumbing.
