Property Description

Nature, ocean views, and one of the largest building sites available for sale in Ojochal — this incredible 1.6 acre plot of land is ready to build right now. There is no restriction on the size of house you build on this amazing property. Water, electricity, and even high-speed fiber optic internet is all along the public road bordering this lot and is ready to connect.Located nearly at the end of this quiet development, this plantel is private, tranquil and surrounded by plenty of jungle. You will have howler monkeys passing by really close through the canopy below this property, as well as many other animal and bird sightings.The roughed-in driveway is already prepped for machinery and materials to make its way to this elevated building site with amazing separation from the quiet dead-end road below. You can build a true modern marvel with an exhilarating, nature-filled ambiance that will have you feeling cozily nestled into the privacy of this hillside jungle location overlooking the Pacific Ocean.
