Property Description

If you are looking for privacy and tranquility, look no further than the Ecological Community of Tierra Pacifica, located in the coastal town of Junquillal. You'll find this home site tucked into the back corner near the beach access path and a short drive or walk to the Clubhouse where owners enjoy three luxurious pools, a fully equipped and air conditioned gym, yoga room and tennis/pickleball court. This large lot is almost 1.5 acres of private land and home site and is close to additional nature paths throughout the community. There is no deadline on building on your Tierra Pacifica lot; additionally, you are free to choose your builder and a custom design but we can recommend an experienced builder from within the community if desired. Tierra Pacifica is located adjacent to the Plaza Tierra Pacifica commercial center and Supermarket Junquillal for added convenience. The main road in Junquillal was paved in April, 2021 so driving to the beach or back to the main highway has never been better.
