Property Description

Recently reduced from \$2,100,000.00 to \$1,950,000.00 This Hacienda Pinilla estate and guest home were designed and landscaped to enhance the distinctive view of the golf course. The main home is nearly 7000ft² and built on a large half acre property. It boasts six master bedrooms and five and one half baths. The majority of these bathrooms have jacuzzi's. The first floor of the home is an open floor plan which includes a large living room, a wet bar, and three bedrooms - each with its' own climate control system. There is an area with a full classic billiard table and top quality foosball table for gaming, and a finely finished two car garage. One can relax and enjoy the views out to the pool or access it directly through the French doors. There are also maid's quarters on this level of the home. The second floor has the main master bedroom that has been furnished as a honeymoon suite along with the others.
