Property Description

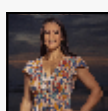

Private and peaceful jungle property with a fenced in area, including a charming well kept garden and two rustic homes. Tucked away in the hills of Las Delicias, lies this beautiful, bright 1.6 hectare landscape. Located on a private servidumbre on a dead end road, this place an absolute sanctuary for people and animals alike. Additionally, this provides security and privacy to the entire area. The property includes a 2-story one bedroom, two bathroom home as well as a small studio apartment, with a private bathroom, along the jungle line. There is a gorgeous ocean view stretching across the gulf to the mountains on the other side of the country visible from the second floor of the home. The space also includes an onsite storage bodega, chicken coop, and barn that has housed well-taken care of and loved horses over the years. With a lush, maintained, and manicured garden, full of fruit trees and edible plants, the energy on this land is unmatched.
