Property Description

Five full-titled lots with a gated entry in the heart of Manuel Antonio! 5 Amazing lots and Duplex Apartment in Manuel Antonio is an incredibly unique opportunity that provides a diverse set of potential uses for these secluded lots. The properties are located in the center of Manuel Antonio, just a short walk from the area's most popular restaurants, supermarkets, and activities, while also boasting a remarkably private and serene environment. You access the properties on a well-maintained public road that leads directly to their shared gated entry, which is fully automatic. Once inside, you'll immediately feel like you've just arrived in a whole other world, as the lush tropical forest and elegant bamboo detailing fully immerse you into the idea of a paradisaical destination. 5 Amazing lots and Duplex Apartment in Manuel Antonio are right next to a large ecotourism and wildlife sanctuary, which has its main public entry on the main road but does have the 6th lot in this gated complex.
