Property Description

Looking for a way to escape the rat-race and move somewhere tropical? Here it is!This popular vacation rental provides several possibilities for the savvy investor, allowing you to rent all of the units, to live in one and rent the other, or rent both and live off of the proceeds. It even comes with a 2 bedroom, 1 bath caretaker's suite, so you can rest assured that the property is always cared for and staffed... or you can live there yourself!At the present time, this property is available for rent on both AirBnB and VRBO, providing an excellent return on investment. The smaller building houses the caretaker suite on the ground floor, and a 2 bedroom, 2 bath rental with beautifully renovated living space and full-length porch with ocean views from almost every window. The upper terrace houses the larger building, plenty of nicely landscaped patio space, the pool area and a 2 story suite with 1 bedroom, full kitchen and bath on the ground floor and a two-bedroom unit with its own bathroom and kitchen on the upper floor accessed by a lovely spiral staircase.
