Property Description

This nice lot is located in Tres Rios, Costa Azul, 5 minutes south from Ojochal and 25 minutes From Uvita , it counts with legal water in process of installation, electricity and internet. 4X4 cars is not required 100% of the year but its better if you have it. Only five minutes from school, supermarkets and other services offered by the Coronado Neighborhood. This side OF OSA Peninsula is amazing, surround by amazing forest and spectacular ocean views wherever you see, from this lot you will see a big piece of ocean but not only that, you will also see the Terraba River Mouth and a big portion of the Sierpe Mangroves. This lot is located right next to a public street wich makes its access super easy and also the land is very regular so you won't have to invest a lot of money working on it to start your constructions projects. Something super special to take Into consideration at this peace of land is that the 100% of the 3200 m2 are useful for construction, that may give you a great chance to build your dream house and why not build some other cabinas or houses in order to bring your investment back if you are interest.
