Property Description

Welcome to Calle Perro Loco !This long street called "the crazy dog" goes from Paraíso (where the paved road is), to Callejones (one of the most quiet beach in this area). It has been a few years now that Calle Perro Loco has been discovered for being a nice and quiet neighborhood, very centrally located to all the beautiful beaches we have here, and also with mixed-use lots with nice trees where you can feel Guanacaste. Playa Callejones and Playa Blanca are 5 minutes driving, Playa Negra and Junquillal, less than 10 minutes, and Avellanas, about 20 minutes driving. All very different and beautiful, there is one for every hobby : surfing, fishing, snorkeling, shelling, walking or running or simple enjoy the dramatic sunsets...This area is 1,5h drive from Liberia, 30min South of Tamarindo which makes it very easy to access and also within a quick drive to all activities and tours in the area.
