Property Description

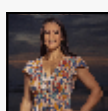

This exclusive family compound located in the heart of Playa Hermosa, only 2 minutes walking distance to the best surf in the area, boasts 2 exquisitely designed homes with 3 bedrooms each, spread across 6000 square feet of construction. The homes were built in 2020, designed by the renowned architect Benjamin Garcia Saxe and featured in several architectural magazines across the world. The design combines luxury with nature, creating open plan areas in both homes and luxurious finished throughout the common areas and bedrooms. They are located walking distance to the beach in the peaceful neighborhood of Playa Hermosa, making them a great family compound and a great rental property to generate income.
