Property Description

Casa Colibri (Humming Bird Home) connects with nature and peaceful tranquility that has a magical essence in this special community, easy access, but tucked away from any noise or hussle and bussle. The unique, private, and safe community in Ojochal, off the highly-desired street of Calle Papagayo, is your home and lifestyle retreat. Not only does the structure of the house provide a beautiful standard of daily living, but the cascading trees of the seemingly endless pacific rainforest, and sacred local river that is only a short walk from the house, also hold you in the kind of physical, mental, and spiritual good health that attracted you to Costa Rica in the first place. THE HOUSE This 3 bedroom 2 bathroom home embraces a traditional Latin American design but is anything but traditional. The unique open layout offers the best of indoor/outdoor living with boundless natural light, cascading jungle views, and flow and function for daily life.
