Property Description

Corner Land in Gated Residential Community in Escazu low HOA Open Construction Mid size 2700 feet Land for construction in Private Residential Area in Bello Horizonte de Escazú is a gated community that allows its owners to build their dream home with complete freedom. It is a novel option for those who need a personalized home, while also enjoying the security benefits that condominiums offer. Additionally, its maintenance fee is very low and is solely used to cover security expenses. This organized community boasts numerous attractions, such as panoramic city views, little visual pollution, tranquility, underground electrification, wide streets, and boulevards paved with few plots per boulevard. It is located in the renewed area of Bello Horizonte de Escazú, where large real estate companies are resuming construction due to its excellent location and easy access to the circumvallation, as well as services such as restaurants, bars, supermarkets, and gyms.
