Property Description

This beautiful property is located in the southern part of the country, just 15 minutes away from the new marina in Golfito and the fastest-growing areas in the southern region, where the sea and nature are the main attractions. It is also one of the most popular tourist destinations in the area due to its stunning wave-free beaches, perfect for both commercial and fishing boats. This is definitely an area worth investing in and a beautiful place to live. The property features an internal road that surrounds it, leading to the highest point with a large building site offering incredible views of the valley and a majestic river, as it is the highest mountain facing the valley. Additionally, the property has rocky material that can be used for construction or maintaining internal routes. It also has permits for tree logging to expand construction areas, making it ideal for housing projects, gated communities, retreat centers, or the perfect spot to build your dream home on the mountaintop and also has a large conservation area surrounding and gives lots of privacy.
