Property Description

Are you looking for an affordably priced, exceptional quality, parcel of land near Tinamastes? There are three parcels available, ranging from approximately 1.5 hectares to 2 hectares. (3.5 acres to 5 acres) All have gorgeous forest and valley views, with one parcel having a nice ocean view and another with a peak-a-boo ocean view. There is a small creek at the bottom of the land, coming from springs born nearby on a neighboring property. The seller performed a comprehensive water purity test and it's exceptionally pristine. The land has been organic for over 30 years, with a perfect growing climate and conditions for a wide range of tropical fruits and vegetables. Situated in idyllic Tinamastes, accessible via a 2-wheel drive road and conveniently located within walking distance to the organic farmers' market. The property offers easy access to numerous attractions including world-renowned waterfalls, Dominical beach's top-notch surfing, and a diverse selection of international restaurants.
