Property Description

Welcome to Casa Corazon, your dream oasis in Playa Grande, Costa Rica, where the captivating beauty of the surf meets the serene embrace of nature. Nestled just moments away from the beach, this remarkable property presents an enchanting 3-bedroom, 2.5-bath home, exuding an air of spaciousness and tranquility, and a guest casita of 2-bedrooms, 2-bathroom home. Step inside and be greeted by the allure of local woods that grace the interiors, weaving a tapestry of natural elegance throughout. Crafted with meticulous attention to detail, these homes boast block construction, ensuring durability and peace of mind. Plumbing and wiring built to American standards guarantee modern comfort and convenience, seamlessly blending with the timeless charm of this coastal paradise. Spanning an expansive 5000m2 (1.25 acres), this generous lot is perfectly situated between two roads, offering limitless potential for future development.
