Property Description

AMAZING VALUE! PRICED BELOW MARKET VALUE! Here is your tranquil piece of paradise. This 2.4 acre lot in Ojochal is a fantastic opportunity if you are looking for serenity & privacy! This picturesque lot off Calle Tucan, is tucked away on a private, gated road with only a few residences having access. Making this very tranquil & private. You will find that your opportunities are endless with this very large, flat, buildable property - that has all of the utilities already to the road. In addition, there is a beautiful stream bordering the back of the property that adds a natural and picturesque element to the land. A stream can be a beautiful and calming feature, along with bringing the wildlife visitors (such as different species of birds & monkeys!) Ojochal itself is known for its popularity among expat communities, and its appeal lies in the mix of amenities, natural beauty, and recreational options it offers.
