Property Description

Located in the beautiful hills of Coyote bay, just 600 meters off the main road, is the "Sublime House, " a stunning two-story home perched on a platform that offers spectacular views of the Bay and Playa Coyote estuary. A short, private access road connects the property with the main street, ensuring both security and seclusion while surrounding you with nature's beauty and leads to a large outdoor parking area at the front that easily accomodates four vehicles. Entering through the main door, you're greeted by a spacious living room connected to a fully-equipped kitchen. The kitchen features a granite counter that doubles as a breakfast bar and is illuminated by large windows that offer beautiful views of the Bay. The dining room and living area provide a cozy and relaxing atmosphere, with the ocean breeze continuously refreshing the space.This floor also includes two bedrooms, each with individual closets and A/C.
