Property Description

Versatile Farm in the Exclusive Los Santos Area Multifunctional Farm in Los Santos – Unique Opportunity Discover a unique farm in the prestigious agricultural and coffee-growing region of Los Santos, in La Cima de Dota. With 6.4 hectares of land at 2300 meters above sea level, this property offers a mountain climate ideal for various agricultural and livestock activities, as well as for residential or tourism development. Detailed Description: The farm has a two-story house of 130 m², in excellent condition, ideal for a family of 4-5 people. Three sheds of 475 m², 118 m², and 184 m² offer multiple uses, from raising laying hens to dairy or beef cattle. A 39 m² dairy barn and a 32 m² storage shed complement the facilities. Two streams and springs provide abundant water all year round, feeding two 5000-liter storage tanks. The property also has a protected natural forest area, with pine, eucalyptus, and jabillo trees, as well as large areas previously used for growing vegetables, strawberries, and coffee.
