Property Description

Location: Costa Verde Estates, Escaleras, Dominical, Costa RicaPerched at 1,700 feet above sea level in Costa Verde Estates — the Southern Zone's most prestigious gated community — Casa de Zen offers a rare blend of modern luxury and untamed rainforest beauty. Set on 3.5 acres of lush primary jungle, this 4,800-square-foot villa was designed to maximize panoramic views of the Whale Tail, Osa Peninsula, and Caño Island, all while immersing you in complete privacy and tranquility.A Home Designed for Living and EntertainingStep through etched glass doors into a soaring great room with rich wood accents and artisan details. The open layout connects a gourmet kitchen, elegant dining area, and living space — perfect for intimate evenings or grand gatherings.A 25-foot wall of glass slides open to a covered veranda overlooking an infinity-edge pool that seems to merge with the Pacific. The outdoor kitchen, complete with BBQ, ice maker, and seating for six, sets the stage for effortless al fresco living.
