Property Description

Beautifully decorated and perfectly situated, this charming condo is just a 5-minute walk from the beach, grocery store, bars, and restaurants. The owner fully remodeled this unit for true living, with custom furniture, a very rare dishwasher and a brand-new (January 2026) 6-burner gas stove and oven. The roof was recently replaced, as well as maintenance-free PVC soffits under the roof. Enjoy the convenience of shared amenities, including a sparkling pool and jacuzzi, covered rancho with sink right across the front patio for more gathering space, and a communal commercial laundry. The HOA is well-managed and financially healthy, all while keeping monthly fees low. Ideal for those seeking a relaxed coastal lifestyle with everything at your fingertips!
