Property Description

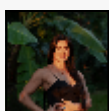

Nestled in a prime location in Santiago sitting above two bustling coastal towns, this exquisite private ocean view lot presents an unparalleled opportunity for those seeking tranquility and natural beauty. With its views of the sea, the allure of this property is undeniable. Positioned strategically, residents of this lot enjoy convenient access to amenities and attractions while still being able to retreat to their own secluded haven, raised up high in the jungle. The perfect blend of convenience and seclusion, this location offers the best of both worlds. One of the standout features of this lot is its flat building platform, providing an ideal canvas for constructing the coastal retreat of your dreams. Whether envisioning a spacious seaside villa, a cozy beachfront cottage or a multi-home project, the possibilities are endless on this expansive piece of agricultural land. It also comes ready with a well.
