Property Description

This newly built home is located in Nosara Springs and features three bedrooms and two bathrooms, all situated on just over a quarter of an acre. The property is surrounded by large trees that attract a variety of wildlife, creating a peaceful living environment. Residents can unwind in the beautiful pool while enjoying the serene natural surroundings in a private setting. Nosara Springs is conveniently situated behind Playa Peladas, which provides quick access to nearby services and attractions. The area is appealing for its old trees and the protected NCA green zone, as well as the Lagarta Lodge Bio Reserve. This reserve offers an excellent trail system that winds through the mangroves of the Nosara River, providing opportunities for outdoor activities and exploration. This location perfectly combines tranquility with easy access to local amenities. For more information, please feel free to reach out!
