Property Description

Experience luxury living in this stunning 3-bedroom 3.5 bath single level home perched on over 4 acres on Calle Perezoso in Ojochal. Majestic mountains and white water sunset ocean views will captivate you upon entry. This exquisite residence is a harmonious blend of relaxation and sophistication, providing a serene lifestyle to captivate your senses.The gated property is meticulously designed as it guides you down the paved drive with seamless lush tropical surroundings. The yard is fully fenced complete with hand crafted iron railings throughout the property for the animal lovers. So many large areas for your furry friends to enjoy. Perfectly landscaped, every aspect of this location has been carefully orchestrated for ease of living and enjoyment. As you enter your covered carport the wrap around deck shields you from the elements and also allows you to take in the flora and fauna that Costa Rica promises.
