Property Description

Located a short drive to Santa Teresa, Montezuma and Cobano, this spacious 7226.53 square meter property is the ideal location for your dream home in nature! Surrounded by peaceful lush gardens, a natural pond and ample fruit trees, this lot is perfect for building a home or business in a great up & coming neighborhood. The property has San Isidro Asada water, electricity and fiber optic internet. Zoned for either residential or commercial usage, allowing for 75% of the property to be developed, gives way for plenty of opportunities for building. There is a wood rancho-studio with a small kitchen and a bathroom. At just under \$25/square meter with water & electricity makes this land a great option for those looking for privacy & space at a very affordable price.
