Property Description

Discover this beautiful 7-hectare property surrounded by nature, located in Toro Amarillo, one of the greenest and purest areas in the region. Ideal for those looking to invest in ecological tourism, mountain agriculture, or a private vacation home. The property offers: Varied topography with flat and rolling areas, perfect for building cabins, trails, or farming areas. Natural water sources and panoramic views of the mountains and cloud forest. Easy access year-round via a public road in excellent condition. Cool mountain climate, surrounded by lush vegetation, birds, and absolute tranquility. Privileged location, just minutes from downtown Vara Blanca and Poás, and close to natural attractions such as the Toro and Río Agrio waterfalls. A unique opportunity for those who value peace, fresh air, and the natural potential of the area. Price negotiable. Contact us for more information or to schedule a visit.
