Property Description

Discover an elevated, flat building site with panoramic surf views on over 1.25 acres in the desirable NIMBU neighborhood of Playa Ostional. Surrounded by half a dozen high-end homes and premium infrastructure, this property offers privacy and prestige with immediate build-readiness. Fronting the famous Olive Ridley turtle beaches, the shoreline here is a protected, world-renowned nesting site where thousands of Olive Ridley sea turtles come ashore seasonally — a rare, unforgettable natural spectacle right outside your future home. Recent road and bridge improvements make access fast and reliable — just a 15–20 minute drive to Nosara’s shops, yoga studios, restaurants and amenities. Enjoy quiet coastal living with easy access to one of Guanacaste’s most sought-after towns. Ideal for a luxury home, eco-conscious retreat, or investment. For more information on this amazing opportunity please do not hesitate to contact Surfing Nosara at info@surfingnosara.
