Property Description

A Panoramic Ocean-View Sanctuary. Perched at the very peak of the mountain in the prestigious La Marcela community, Lot 59 offers an unparalleled canvas for your dream tropical estate. This expansive 5,000^m² (1.24-acre) homesite features a multi-tiered, flat building pad designed to maximize breathtaking, unobstructed views of the Pacific Ocean, nearby islands, and the pristine coastline below. Unwind to refreshing mountain-to-ocean breezes and spectacular daily sunsets, all while surrounded by a lush, mature jungle canopy that guarantees absolute privacy. While it feels like a secluded paradise, you are only minutes away from the world-class amenities of the new Flamingo Marina, vibrant dining, and the golden sands of Playa Potrero and Playa Flamingo.
